

Welcome to attend/submit to the 5th International Conference on Software Engineering and Artificial Intelligence (SEAI 2025) in June 20-22, 2025, Fuzhou, China. The conference is co-sponsored by IEEE and Fuzhou University, hosted by the College of Computer and Data Science/College of Software (Fuzhou University), College of Computer Science and Technology (Huaqiao University) and Fujian Computer Society, co-hosted by College of Computer and Information Science (Fujian Agriculture and Forestry University, China).

PAPER PUBLICATION

Submissions will be reviewed by the conference committees, accepted and presented papers will be published into Conference Proceedings by IEEE, included into IEEE Xplore, and submitted for Ei Compendex and Scopus, like last few years.

PUBLISHED PROCEEDINGS

SEAI 2024 ISBN: 979-8-3503-7433-9
SEAI 2023 ISBN: 979-8-3503-0171-7
SEAI 2022 ISBN: 978-1-6654-8222-6
SEAI 2021 ISBN: 978-0-7381-2483-4

IMPORTANT DATES

- ◆ Submission Deadline: April 25, 2025
- ◆ Notification of Acceptance: May 15, 2025
- ◆ Registration Deadline: May 30, 2025
- ◆ Conference Date: June 20-22, 2025

SUBMISSION

Online Submission System:

CALL FOR PAPERS

- AI Algorithms
- Knowledge-based Systems
- Artificial Intelligence tools & Applications
- Mechatronics
- Automatic Control
- Multimedia & Cognitive Informatics
- Soft Computing Theory and Applications
- Intelligent System Architectures
- Software & Hardware Architectures
- Agent-based software engineering
- Artificial intelligence approaches to software engineering
- Component-based software engineering
- Embedded and ubiquitous software engineering
- Aspect-based software engineering
- Empirical software engineering
- Search-Based Software engineering
- Software and system security and privacy
